## Interesting April Month Facts and Trivia

Most of the people begin the new month with new plannings and schedule but there are only a few who likes to know about a particular month. Knowing what others don't know gives you a little bit advantage and that makes you different from the others. Along with facts, we are going to share observances of April month also.

The name of this month is named after the Greek Goddess of love, Aphrodite. It is spelled as "Aprilis" which means "to open".

1st of April is commonly known as April Fool's Day. On this day, people make fool and prank of each other to celebrate it.

It is a sports month for the people of US as April marks the beginning of professional baseball season in the United States.

April is the born month of English poet William Wordsworth who was born on 7 April 1770. is best-known poems is perfect for April in the Northern Hemisphere "I wandered lonely as a cloud." It was published in 1807. Leonardo Da Vinci was also born in this month.

The name of this month is also the popular name given to a lot of people. April name is the 423rd most common name in the United States and 250th common name in the United Kingdom.

It is national awareness month for Pets, Mathematics, Stress, Irritable Bowel Syndrome, Bowel Cancer, and Jazz.

April is the only month out of all 12 months with alphabet "l" in its name.

The Anglo-Saxons called this month as Eostre-Monadh, possibly named after a pagan Goddess.

Please save the date and start making plans. Our 2018 Pennsylvania Picnic will be held July 26, 2018 at Cowans Gap State Park and will be open to all Winterset friends.
